FIG. 3h

The diagram illustrates a mechanical assembly, possibly a valve actuator, with the following labeled components:

- 47**: The base or housing of the assembly.
- 57**: A handle or lever attached to the top of the central shaft.
- 55**: The central shaft or rod passing through the assembly.
- 56**: A control lever or arm connected to the shaft.
- 59**: A spring mechanism, shown in a compressed state, providing force to the piston.
- 38**: A piston or plunger that moves vertically within the housing.
- 37**: A linkage or connecting rod between the piston and the control lever.
- 50**: A solenoid or electromagnetic coil connected to the piston.
- 4**: A label on the right side of the diagram, possibly indicating a specific part or view.
- 85**: A label on the left side of the diagram, possibly indicating a specific part or view.
